Name  
Job Title  
Mission WV, Inc.

Date

Dear (insert here),

Mission WV is organizing WV's "Walk Me Home" fundraiser for foster care and is inviting (company name) to become a corporate sponsor of this event.

"Walk ME Home...to the place I belong" is sponsored by the National Foster Parent Association and state and local affiliates and is designed to raise awareness of foster care issues, promote fostering, and raise funds for foster care organizations. This is the first time such a nationwide event has been organized for foster care and more than 100 communities in 25 states are participating.

Walk Me Home sponsorship provides local marketing opportunities to reach foster families and other families in our community. Your association with Walk Me Home and NFPA – the only national organization that strives to support foster parents and remain a consistently strong voice on behalf of all children – promises to enhance your image as a caring member of our community to your employees and clients.

I have enclosed information about the Walk Me Home event. If you have any questions, please contact me at (your number here) or (email). I will follow up with you within the next week or so.

Thank you for your time and consideration. With more than 500,000 children in foster care America, corporate efforts are invaluable for assistance. Together we can help these children Walk Home to a place they belong.

Sincerely,

Your name  
Walk Me Home Participant  
Your community
