

## Walk Me Home – Recruiting a Team!

Teams are a great way to increase participation in Walk Me Home and generate funds. A team is a group of people representing their place of employment, neighborhood, school, place of worship, family or community organization.

A team can be 2 or more people who are working together to raise funds for Walk Me Home. A team can be anything from a couple, a group of best friends or an entire classroom. We encourage you to get creative and have fun naming your team. Also, on the day of the walk, your team can join together by wearing the same color scheme, bandanas, hats, etc.

### **Registering**

You may register as an individual or as part of a team. To register for the walk please visit [www.walkhome.org](http://www.walkhome.org), click **find a walk** on the left side of the screen and then navigate to the **Charleston, WV** walk. If you do not have access to the internet, you can register on the day of the walk or you can call Mission WV and provide your registration information. Also, if you have any difficulties registering online, please do not hesitate to call Mission WV at 866.CALL.MWV and ask for Carrie Robey or email [crobey@missionwv.org](mailto:crobey@missionwv.org)

### **Creating a Team**

Creating a team is easy. The online registration form will have a section to register a team. Each member of the team will be listed and can create their own webpage to email and solicit donations. There is also a section for the team to choose its name and create a team web page.

### **Team Captains**

Every team will need to designate a team captain. In most cases, this will be the first person who registered the team online. It is the team captain's responsibility to invite other people to join the team and encourage the team members to raise as much money as possible. Team captains can also help organize team building activities.

The team that raises the most funds for Walk Me Home 2010 will receive a trophy!

Thank you for your support and participation!

2009 Walk Me Home Team from Region III Homefinding
