## **DONATE TO WV FOSTER CHILDREN THIS CHRISTMAS OPEN YOUR LIFE TO GIVING**

Mission West Virginia's FrameWorks program has teamed up with eight local Rite Aid stores to receive gift donations for West Virginia Foster Children. With approximately 4,000 children in the WV foster care system, we ask that you open your life to giving and make a foster child's Christmas extra special this year.

You can currently donate gifts to foster children at one of the eight Rite Aids at the following locations: Hurricane, Teays Valley, St. Albans, Charleston (South Hills), S. Charleston (McCorkle Ave.), Charleston (West Washington Street), Dunbar, and Huntington (5th Ave.). Barrels that have been decorated with art created by foster children are available at each store for the deposit of gifts.

Many children are still awaiting adoption. If you would like to find out more information on adoption or how you can assist with the gift drive for foster children, please contact Mission West Virginia at 1-866-CALL-MWV or visit their website at [www.missionwv.org/frameworks](http://www.missionwv.org/frameworks). Mission West Virginia, Inc. is a certified nonprofit organization.
